

2022-2023

To Apply for Financial Aid in Academic Year 2022-2023

Guidelines for Completing the Parents' Financial Statement

The Parents' Financial Statement (PFS form) is used by Thomas Jefferson to assess a family's ability to pay tuition and related school costs each year. This form gathers your financial information regarding income, expenses, assets, and debts, and allows the school to analyze this information to make fair and objective financial aid decisions. Scholarships and financial assistance cannot be awarded to families until they have completed the PFS form and provided the required documentation to substantiate this financial information.

Important Deadlines

- February** Families who currently have scholarships or financial aid awards will receive the PFS form from Thomas Jefferson in February so that they may gather the necessary information, complete the form, and return it to Thomas Jefferson timely.
- March** PFS forms must be completed and returned to Thomas Jefferson by **March 21st** so that the Financial Aid Committee will have time to review and make recommendations for awards by the end of March. **Families who do not submit this application timely may jeopardize their student's enrollment at Thomas Jefferson. Thomas Jefferson sets a budget for financial assistance and once funds have been awarded there may not be funds available for families who file late.**
- April** All student enrollment contracts, including contracts for students on financial aid and/or scholarships, are issued the first of April and must be accepted and returned by May 1st. If you have not returned your financial aid application together with the supporting documentation, we cannot issue a contract and you may lose your student's spot in their class.
